Inclusions: Two nights camping at Beavermead, Friday glow games and complimentary beverages and social, light breakfast on Saturday, pancake breakfast on Sunday, field food on Saturday and Sunday, Harvest dinner and party on Saturday, spirit prizes, and more...

Team Bidding Information

Due to the high demand to participate in Harvest, each team must "bid" for a spot in the tournament. Fifteen teams will be selected to participate in Harvest 2019. Sadly we cannot accept all teams, but please don't let this discourage you from submitting a bid. We are committed to getting more teams involved in the tournament over the coming years.

Team bids will be accepted by email to pul.harvest@gmail.com starting June 15th until July 15th. Your team bid should include:

- o Team Name
- o Captain's Name & Email Address
- o Team Location/City (# of players from multiple leagues/cities)
- o Your estimated ranking (1 to 15)
- o Harvest History (number of years playing/inquired about playing in tournament)
- o Team's past/proposed social contribution to the weekend (e.g., attending Saturday party, group campfire)
- o Why is your team a good fit for Harvest
- o Any other relevant information to support your team bid

Note: Please do not submit payment with your bid. Payment submission details will be provided if your team bid has been successful.

Teams will be selected based on the completeness of their bid (hint: see above!), spirit and reputation of the team (yes, we research), and the teams history with the tournament (playing/bidding). Both new and old teams are welcome!

Teams will be notified about whether their bid was successful or not by July 21st. Successful bids will only be reserved upon receipt of deposit payment (\$875). Any unpaid successful bids will be passed on to another team beginning July 31st.

Contact: Tournament Director, Don Helleman (pul.harvest@gmail.com).

Thanks for your interest in Harvest 2019!
